Channa Basava Vadêr presented a petn to the Dewan on 31st Oct 1903 stating that as per Sanad of His Highness the late Maharaja Sri Krishna Raja Wodiyar Bahadur III, a sum of 5 Varahas per month was being granted to the Kambalu matt & that on the abolition of the late Byrandwega Taluk, the allowance ceased to be paid to the matt for reasons unknown & prayed that the

the petr was forwarded to the Dy Comm.r for enquiry & report.

The Dy Comm.r has submitted a detailed report* with his letter cited above. *(Plus B)

From the original Sanad* (in the Vern PP) *(Plus C) issued by His late Highness on the 11th August 1818 it is observed that on the representation of Chama Veeriahgalu of the matt, a sum of 5 Varahas Kanteroy per month or 60 varahas per annum was ordered to be paid to the matt from the late Byravandurga Taluk for 'D. & Sundries' therein. And in the end of the Sanad the grant is repeated in the fac simile of His late Highness. Overseer's autograph

the Taluk Amildar states that probably Channakeraswami named in the Sanad died & that he was not immediately after succeeded by another Manager & that owing to the abolition of the late Taluk & the inclusion of the Sirsangi village in the present Nelamangala Taluk, the alleged in question was not brought before the Inam Settlement Officer. The Amildar reports that he made a request to the Magadi Taluk & from the records available there it is stated that a ready money Cash grant of 30 Varahas to Channakeranga of Kambala Matt is entered in the Cash Receipt & Expenditure list of Bamadi Year. The Matt has inam lands as per margin. The cash

There is satisfactory evidence
that this institution was originally
given a cash allowance of 60 Kanteroy
pagodas per annum by H.H. Makraja
Vadiar III in Bahudhanya (1818)
that the amount was reduced
to 30 pagodas in the same year, and
again to 15 pagodas in 1820

The Inam was not brought
to the notice of the Inam Deptt,
otherwise it would probably
have been confirmed. The Matt
has now no right to the cash
allowance of 15 pagodas after
the lapse of time But considering
that the Matt is very poor, and
the lapsed grant applied for is
the small, sum only Rs. 3-8-0 per mensem,

It is a matter for the consideration of the Govt whether a small allowance of Rs. 3-8-0 per mensem may not be given to this Dargah Mutt as a new grant

In the case of the Chinnakalestwara Swami temple in Harohalli in the Kankanhalli Taluk, a grant of Rs 8/7 per mensem was made by Govt under similar circumstances (vide printed letter put up.

Submitted to His Highness.

The Kambala Matt at Sivaganga in the Nelamangala Taluk, is a Lingayet Matt enjoying land Inams paying a Jodi of Rs.20-8-0. Under a Sannad dated the 11th August 1818, granted by His Highness Maharaja Krishnaraja Wadayar III, the Matt was originally in the enjoyment of a cash allowance of 5 Kantiroyi pagodas per mensem or 60 pagodas per annum for (ధర్మ దానమొలరం) feeding purposes. For some reasons which it is not at present practicable definitely to ascertain, the grant was reduced first from 60 to 30 pagodas and again to 15 pagodas per annum, and latterly, it was discontinued altogether. This cash Inam was not also brought under the investigation of the Inam Department.

The present manager of the Matt, one Chenna Basava Vadiar, now applies for the continuance of the allowance in question.

It is reported that there is a Guru named Sidlingaswami for the Matt in question, which is maintained in good condition, that the feeding of travellers is continued, and that the Matt expenditure exceeds on

the whole, the income from Government.

Considering that the Matt affairs are in an efficient condition and that the feeding is regularly conducted, I beg to recommend, in concurrence with the views of the Councillor, that the smaller allowance of 15 pagodas per annum, or Rs.3/8 per mensem, may be graciously sanctioned as a new grant.

It may be mentioned that in the case of the Arunachelleswaraswamy temple at Harohally in the Kankanhally Taluk, a grant of Rs. 7 per mensem, was sanctioned by Government in 1894, under similar circumstances.

Sir,

With reference to your official memorandum No 1336 dated 21st November 1903, forwarding for report petition from one Channa Basava Vaderu regarding the discontinuance of a monthly grant of 5 pagodas to the Kambalu mutt at Sivaganga in the Nelamangala Taluk, I have the honor to forward, herewith, in original a canarese report dated 7th February 1904 No 505 received from the Amildar of the Nelamangala Taluk together with

its

its enclosures on the subject

2. According to the Amildar's report, the village of Kambala originally formed part of the late Byrandurga Taluk, and when this taluk was abolished, the village became merged in the Magadi Taluk and continued to be so until it was subsequently transferred to, and included in the present Taluk of Nelamangala.

3. With reference to the grant to the Kambala Mutt under adventance the Amildar states that on a reference to the old records in the Magadi Taluk Office a list of cash receipts and disbursements was found for the year Pramadi and that this list shows payment of 30 pagodas to one Channaveeraiya of the Kambala Mutt for the said year. He further adds that beyond this no other references bearing on

on this subject are forthcoming in the Taluk records and that it is not known when this cash payment was stopped. The petitioner Channabasava Vadera has produced an original sanad said to have been granted by the late His Highness the Maharaja Sree Krishnaraja Vodeyar in the year Bahudanya and also copies of extracts of some registers from Muzrai Secretary's office. From these papers it would seem that, in consequence of the death of Channa-veeranja the grant was reduced first from 60 to 30 pagodas and again to 15 pagodas a year. The Amildar's report shows that the Inutt enjoys at present certain inam lands in the villages of Gaute Kosahalli and Kaulealur paying a Jodi of Rs 20-8-0 therefor, and that this nagad inam was not brought under the

the Inam Settlement as it had ceased to exist long before the settlement

From the foregoing facts, it will be seen that no records are forthcoming to show clearly when and for what reasons the original monthly grant of 5 pagodas was stopped. The petitioner is not in a position to give any definite information on the point beyond a mere conjecture that it might have been due to the demise of the late Chamaraja-raja or probably to the absence at the time of a successor to the Mutt.

The petitions received with the above and the vernacular papers are submitted for reference.

I have the honor to be
Sir
Your most obedient servant

Dy. Commissioner,
